

CROSSROADS Summer Camp

OFFICIAL 2019 PARENT GUIDE

About Us

Crossroads Summer Camp has been providing an exceptional summer camp experience to students and their leaders since 1996.

Our mission is to reach students with the gospel, help them understand God's Word, and give them the tools to live it out daily.

We started small - Clayton King planned the very first week of Crossroads in his dorm room at Gardner-Webb University. Since then, we have seen our camp grow and change lives in ways only God could do.

We aim to not only be the most fun week of your student's summer, our primary goal is to create an environment for each camper to be seen, known, and have a life-changing encounter with God.

We bring in high-level speakers and worship leaders each week, but what truly sets our camp apart is our summer camp staff. We hire and train the most passionate and energetic college students from across the US, and they are eager to pour into your student and develop a long-lasting relationship with them! They will seek your student out and will be available to them throughout the week for spiritual conversations and guidance.

Packed in between two powerful sessions in the morning and evening, our afternoon activities will never leave your student bored. Between our original field game "EPIC", an amazing obstacle course, a fully-stocked creative studio, exciting athletic tournaments, dance and improv classes, the pool, a color war, an open mic and talent show, and so much more, there will be something for every single student at all hours in the afternoons.

Not only will your student have great interactions with our staff and speakers, we create space for their group to grow deeper together as well. We reserve space on campus every night for them to reconvene, have meaningful conversations, and deepen the community they will be going home with.

There are a lot of camp experiences out there, but there's nothing like the Crossroads experience. We can't wait for your student to join us!

Sessions

MORNING SESSION

Every morning at 9am, we will have the Morning Worship Service. This session is our creative way of starting off the day on the right note. In addition to having fun, there will also be a time of praise and worship and a morning devotional, all led by Crossroads Staff. Immediately following this session, we will dig deeper into the Word with a morning workshop.

EVENING SESSION

Each evening at 7:00pm, we will have our time of corporate worship. Clayton King, Sharie King, and guest teachers will be bringing the Word. Each year, we see students saved, discipled, and called to ministry at these services.

FAMILY TIME

Immediately following the evening service, your student's group will have the opportunity to gather together for their own personal time. The leader will determine what this time will look like for the group.

WEEKLY OFFERING

Every year at Crossroads Summer Camp, we take up a Love Offering for missions. 100% of the money received in this offering will go towards outreach opportunities. Clayton challenges every student and adult to pray about giving \$25, but he ultimately asks for everyone to be obedient to what the Lord wants them to give.

LAST WORD

Monday through Wednesday night, following the group Family Time, there will be a time of exciting and meaningful worship and scripture reading that we like to call "Last Word." This will be a time led by our Staff to reflect on the day and have our "last words" be to the Lord.

Camp Rules

Crossroads has no desire to be a legalistic camp that hires its staff solely for the purpose of patrolling and enforcing rules. That has never been, nor ever will be our intention. However, we feel as though there are boundaries that need to be set in order to create an atmosphere where teenagers can get the most out of camp, and more specifically speaking a place where teenagers can focus on God alone. For that reason, we do have rules that we ask be followed, as well as enforced by you and your leaders. We wanted to specifically address a few of these:

CELL PHONES

We know that we live in a society where cell phones have become the norm and understand some of your student ministries may use cell phones and other technology for practical reasons (i.e: Bible apps, taking pictures, communication among the group, etc.). Thus, we trust the discernment and leadership of you and your leaders in regards to your approach on cell phone use. The times we do not recommend cell phone usage (aside from Bible usage) in order to promote community and fellowship are as follows: all worship services, activity time, family time, and late night in the halls. Our Staff will ask students to put away their phones if we see they are being used inappropriately during these times. *Crossroads will not be held liable for any lost or stolen cell phones.*

CURFEW

Curfew every night is 10:30pm. We will allow churches who are in Family Time to stay until they are finished. All campers and leaders must be in their dorms by 10:30pm. Most of the damages that we have seen to the dorms have occurred when leaders are not present. We also realize that church devotions may end with one of your students needing more advising. Please feel free to use as much time as you need once in your dorms (boys with a male leader and girls with a female leader). We cannot have a male leader alone with a female teenager or vice versa in the dorms or after curfew outside the dorms. Our staff will be ready to hang out and get to know you guys better! Lights out is at 11:30pm.

GENERAL RULES

Anderson University has a Campus Safety department that consists of full-time Officers that are uniformed and armed. The office is located in the Student Center on the ground floor and Officers are on duty 24 hours/day. The Officers have full jurisdiction over all persons on the campus of AU.

- No alcohol, tobacco, or drugs of any kind permitted anywhere on campus.
- No males in females' dorms at any time and vice versa. No exceptions.
- Absolutely no pranks or any act of vandalism on university grounds. Campers will be asked to leave if they participate in any activities of this nature. They will also be responsible for cost of damages.
- Everyone must attend all main services. They are not optional.
- We ask that all campers and leaders be inside their dorms by 10:30pm. Lights out is at 11:30pm.

Standard of Dress

Crossroads has determined a specific standard of dress for all attendees including leaders. We understand that Christians may have different opinions of what is "modest". However, in our experience, it is best to set one standard to be above reproach to ALL groups coming. We expect leaders to abide by and join with our Staff in enforcing these rules for the duration of camp. With all of us working together to maintain a standard of dress for campers, we hope to create a focus for the week to be on what truly matters.

This is your advance notice so that you and your students can pack accordingly. We hope these guidelines are enforced in your group before it's even a noticeable issue for our staff to address. Our desire is not to be needlessly legalistic, but we must have a common standard in order to enforce these rules, as well as try to create a distraction-free camp environment. We have asked our Staff to comply to these standards, as well.

Females:

1. Shorts should be appropriate length.
(No shorter than the tip of the index finger when standing straight.)
2. Skirts and dresses should be at least to the knee.
3. No spaghetti strap tank tops. (All straps should be at least an inch or two fingers width.)
4. No clothing that reveals the stomach, bra or back.
5. Leggings may only be worn with shirts that are fingertip length.
6. No offensive slogans or profanity on t-shirts or hats.
7. No two piece bathing suits.
(Please wear clothing over bathing suit when walking outside from the pool area.)
8. No pants or shorts with writing across the back.

Males:

1. No offensive slogans or profanity on t-shirts or hats.
2. Shirts must be worn at all times, except for swimming.
3. Sleeveless shirts are allowed, but ONLY during lunch and at activities.
4. Shorts should be appropriate length (see above).
5. No excessively tight clothing.

While our staff works hard to enforce our standard of dress, we try not to make it the only focus for our staff. We apologize in advance if there are ever any inconsistencies in addressing this standard of dress for one individual and not another. We do strive to be as consistent as possible; however, with the mass number of participants, dress code violations may not always be seen by our staff. We do rely on you and appreciate your help with enforcing this standard of dress with the leaders and students within your group.

WORD MADE FLESH

CROSSROADS SUMMER CAMP

2019

“The Word became flesh and made his dwelling among us.
We have seen his glory, the glory of the one and only Son,
who came from the Father, full of grace and truth.”

JOHN 1:14

We’re going to dig into the gospels to learn how the
human embodiment of God, Jesus Christ, is as relevant to
our lives today as He was over 2,000 years ago.

The life of Jesus does more than show us how to live
rightously, it is a perfect picture of God’s love for His
children and our comfort in the Holy Spirit.

The Word became flesh to show us how much we are
loved.
